
THIRD GRADE SUPPLY LIST

June 23, 2015

Dear Incoming Third Graders,

Congratulations on completing the second grade and welcome to the second floor of Abner Gibbs! We hope that you enjoy your summer and return to school as excited as we are for the upcoming 2015-2016 school year! Below, you will find a list of materials that you will need for next year:

- A pencil box
- At least 1 box of #2 pencils (mechanical pencils are okay because they reduce noise distraction from the pencil sharpener)
*If you would like to donate an extra box for the class as well, that would be great.
- A box of crayons (8, 16 or 24 count is fine)
- Colored pencils
- A box of markers
- 4 folders for reading, writing, math and homework assignments
- 3 one subject notebooks (wide-rule)/marble composition books are preferred
- 2 packages of baby wipes (1 for the classroom and 1 for Art class)
- A box of tissues
- Multiplication basic fact math flashcards to be kept at home to study

Keep reading, writing and the love of learning alive all summer long!

Respectfully,

Mrs. Bergeron

Mrs. Laframboise
